## WINE BY THE GLASS

### WHITE WINE

2019 Wedgetail Valley	Sauvignon Blanc	Yarra Valley	\$12	\$55
-----------------------	-----------------	--------------	------	------

Spring in a glass! Almost ivory in colour, with a nose that evokes lush meadows, daisies, lemon pith and Granny Smith apples, it's all light and fresh. The palate shows hints of green capsicum and lime skin, as well as a stony minerality. Some citrus pink grapefruit that gets more tart and rich towards the finish.

2017 Ronco de Tassi	Pinot Grigio	Friuli	\$18	\$90
---------------------	--------------	--------	------	------

Bursting with colourful aromas of lime and mandarin. Apricot and almond notes fill the palate, refreshingly crisp finish. From the Friuli Venezia-Guilia region of North Eastern Italy.

2018 Renzagalia	Chardonnay	Central Ranges	\$18	\$90
-----------------	------------	----------------	------	------

Beechworth, high in the Great Diving Range of North East Victoria, is known for complex and refined white wines like this one. The fruit is fresh white nectarine with some exotic spice notes from maturation in French oak. Elegant and long with a satisfying finish.

### RED WINE

2019 Clyde Park	Locale	Pinot Noir	Geelong	\$14	\$64
-----------------	--------	------------	---------	------	------

Cherries, raspberries, rhubarb with a touch of spice create a vibrant and generous wine. Bursting with flavour on the palate, supported by supple and velvety tannins. Blended from four vineyard sites which captures the essence of the Geelong region.

2017 Charles Melton	La Belle Mere	Pinot Grigio	Barossa	\$14	\$65
---------------------	---------------	--------------	---------	------	------

This is a blend of the three signature varieties of the Barossa – Shiraz, Grenache and Mourvedre.

A powerful and richly flavoured wine from the current leading winemaker in the Barossa. Part of the blend comes from the cooler Eden Valley, contributing to the attractive aromatics of spice and red berries. The palate is round and full with soft tannins to finish.

206 Springs Road	Cabernet Sauvignon	Kangaroo Island	\$16	\$80
------------------	--------------------	-----------------	------	------

An intricate tapestry of glazed cherries, violets and graphite, deftly woven into a palate laden with flavours of red currants, cacao nib and plum. Bristling tannin on the entry and a tensile core of liquorish, black berries and slate, culminates in a persistent and ever-changing mineral finish.
